

Summerland awaits you...

Nestled in the heart of the Okanagan Valley and surrounded by scenic mountains, vineyards, pristine lakes and sandy beaches, Summerland is truly a special place for all seasons.

Local residents and visitors enjoy a relaxed lifestyle boasting a wide variety of activities for all ages. Stroll through the picture-perfect "Old English" theme town with its fine B & B's, tasty deli's & restaurants, and unique shops. For the outdoor lover in all of us, Summerland offers a wide array of things to do including golfing, boating, kayaking, swimming, biking, hiking, fishing, and wine touring. During the mild winter season try alpine and cross-country skiing nearby, snowmobiling, snow shoeing and ice fishing.

Take a drive along Bottleneck Drive and discover 11 wineries within minutes a part offering tours, tastings, vineyard picnics, and events throughout the year.

Historic preservation is a hallmark of this charming town and visitors are encouraged to visit the Summerland Museum, take a ride on the Kettle Valley Steam Train, see the Trout Creek Canyon Trestle Bridge, or enjoy a gentle hike on the Trans Canada Trail.

Summerland has superb gardens, parks, hiking and walking trails with beautiful vistas overlooking orchards, vineyards, and beaches. Enjoy a picnic at one of the 250 picnic tables scattered along Lakeside Summerland, Trout Creek or in the town centre parks, or stop by one of the many fruit stands for some delicious home grown produce & fruit. Summerland offers a full calendar of activities and cultural events from the Spring Wine Festival to the Festival of Lights. Welcome & enjoy Summerland, "Where the Spirit of Summer Never Ends".
